RE:

U.S. Appl. No. 09/656,039 proposed claim amendments

## Dear Examiner Gelin:

Thank you for your telephone call of November 15, 2005 informing the need for further claim amendments. Following are the proposed claim amendments.

I will re-present the claims in proper format suitable for reissue applications as soon as we have finalized the amendments. I have also sent these claims to the client for their review.

Also, I believe we will need to re-execute the declaration for reissue application, since the claims are once again being amended. Please confirm, either by voice mail or email.

Thank you kindly.

Sincerely, George B.F. Yee, Reg. No. 37,478
